“ I used to go there every week with my late mother-in-law Lorraine Letke & my late husband Duane Letke. We had a great time there & the workers & food was awesome. Mr. GEORGE you will be missed thank you for all the memories. Patty Letke

“ I don't know where to even begin. George was so much more than a "boss", he was family... He was my Uncle George! I grew up in the kitchen of the restaurant from as young as I can remember. I would help my mom in the kitchen and on catering jobs, I slept on a wooden booth in the old restaurant and sang karaoke in the bar when the new restaurant was built. George taught me so many things, probably some things a kid shouldn't learn lol. You will never be forgotten Uncle George! I'll always be your Lasagna Baby!

“ I worked for Uncle George for 17 years in the kitchen. His right hand man he used to call me and some used to call me his restaurant wife. LOL for the longest time I handled most of the parties and weddings for him .He was always very generous to me and my children and taught me many many things ...too many to list. We used to go to the racetrack on some Mondays.... if he won I won if I won he won. So many wonderful memories. My youngest daughter Carrie was named Lasagna Baby by him because I was making lasagna at the restaurant and went into labor. George, thank you for all the memories for so many years. I loved your family and your mom like my own. Until we meet again on the race track or some quaint restaurant.. .Love, Booper as you always called me.
