“ Im Franklin Rheubottom ms Michelle always called me Frank. Me and her sons were super close throughout our chikd hood. Ive spent countless days at her home and with her. She was always so much fun and always made sure we were ok. She really loved her children. And she made me feel welcomed at all times. An even told me I could call her mom as well. I loved ms Michelle. She was the most amazing person amd was absolutely beautiful inside and out. She took me along with her sons to her family party at her relatives home and never let me feel out of place. Ms Michelle was one lady that could light up a room when she walked in. This is such a tragedy. I literally just found this out 5 minutes ago. I love and miss you and thought of you alot ms Michelle or should I say mom and I miss you and your hilarious energetic personality.

“ Mr. & Mrs. Gnall, I'm sorry for your loss. Sydney, Alex & Brandon, I don't know what to say. I'm so sorry. I know you guys loved your mom. I loved her too. I just found out about her today. I don't know what happened. I saw her in late January. She seemed ok. Please call me, any one of you, if you want to talk. I know I need to talk to someone in order to feel better. Right now I'm still in shock... not wanting to believe it's true. David Mood

“ I just found out about Michele today. I still can't believe it. Michele and I met Thanksgiving Eve 2003 and we've been close friends ever since. Finding the words to describe how much I cared for her is not easy. Even though we were close and spent countless hours together, I'm not sure she ever realized how much she meant to me. Like I said, I learned of her passing just a few hours ago. I don't know what happened to her and I don't have any one to talk to about my feelings. I'm absolutely and completely devastated. I miss her so much. David

“ This is David Mood. Ive been trying to find Michele for the last 2 months. I saw her a few days before Feb. 2nd. Today I decided to Google her name. Needless to say, I'm shocked and devistated. Mrs. Gnall, if and when you're able, please contact me at 443-512-5817. I have no idea what happened to her. She seemed ok when I saw her in late January. I understand if for whatever reason you rather not talk with me, but if you can I would very much appreciate it.
